Dear Mr Tune *DAVID,*

Thank you for your letter regarding the Consultation Paper on the Pricing Framework for Australian Residential Aged Care Services 2024–25 (Consultation Paper).

The Queensland Government is committed to advocating for the interests of older Queenslanders who need aged care support, to ensure they experience high quality and appropriate care. Noting the aged care system in Australia is a Commonwealth Government responsibility, and therefore falls outside of the Ministerial responsibilities of Minister Crawford.

The Department of Child Safety, Seniors and Disability Services will consider the Consultation Paper and progress any feedback through a consolidated Queensland Government response, if necessary.

If you require any further information or assistance in relation to this matter, please contact [REDACTED], Executive Director, Strategic Policy and Legislation on [REDACTED] or email to [REDACTED]

Thank you for taking the time to raise these important issues.

Yours sincerely

**Hon Craig Crawford MP**  
**Minister for Child Safety and**  
**Minister for Seniors and Disability Services**
