

Preliminary program*

IHACPA 2025

Mark your calendars for 3 days of keynote speakers, concurrent sessions, panel discussions, interactive workshops, stand out networking opportunities and social program.

The Independent Health and Aged Care Pricing Authority (IHACPA) conference is coming to the Adelaide Convention Centre in South Australia.

We have taken your feedback from previous years to make this year's event even better with greater diversity in perspectives, and more advanced level workshops.

Some of the interactive workshop you can expect to see include from IHACPA: activity based funding and community mental health care, deep dive into developing residential aged care pricing advice, and what to consider when preparing your refundable accommodation deposit submission.

Stay tuned for further program updates. **Early bird registrations are now available.**
