Dear Erin (and Greta)

As discussed with Nisette, please find attached a copy of *A fresh approach to NDIS pricing – final report* which was sent to Minister Butler in December 2024. This was in response to the ask by government to look at opportunities to review NDIS pricing.

Hopefully this report will provide you with further information about our findings and recommendations

s 47C(1)

At our last meeting we also spoke about preparing information to indicate how the proposed pricing reforms would impact key stakeholders, being participants, government, providers, workers and regulators. A document explaining this is also attached.

I will also provide this to our DoFD colleagues.

Please don't hesitate to contact us if you would like any further discussions on the information provided.

Regards

Gill
